A photograph of an elderly woman with short grey hair and red-rimmed glasses, sitting in a light-colored armchair. She is wearing a mustard-yellow button-down shirt and a pearl necklace. She is holding an open book with a yellow cover that features a small portrait. The background is a bright, out-of-focus interior space with large windows. The overall mood is peaceful and contemplative.

Why us?

“For over 25 years, Le Groupe Maurice has been providing living options that cater to the needs of retirees seeking a more active and fulfilling lifestyle. Prior to our inception, the retirement accommodations available didn’t quite meet the desires of the majority of seniors, who craved independence and a vibrant life. I felt a calling to change this, to create living spaces that are radically different from what existed in the past.

My vision was to create residences where people would enjoy life like never before!

Today, I am thrilled to see individuals regaining their vitality after settling into one of our residences. It is a rare and truly precious experience to sense so much happiness and joy in one place.

To all future retirees, I sincerely hope that you find a living space that brings you endless laughter, new friendships, exciting adventures and fulfilling projects.

On behalf of myself and my dedicated team, I warmly welcome you to Ambiance!”

*My island.
My retirement.*

**ONE OF
A KIND**

The name Ambiance was carefully selected to embody the essence of a warm, welcoming, and harmonious lifestyle awaiting the retirees of this Nuns' Island haven. The name is intended to inspire and provide a sense of comfort, while also leaving no doubt as to the extraordinary lifestyle that is offered here. The logo, in turn, is a representation of this unique place – paying tribute to the island environment where Ambiance has taken root.

AN EVOCATIVE HISTORY

Few people know that Luc Maurice himself lived on Nuns' Island for quite some time. It was his fondness for this unique area that spurred his desire to build a residence there; so it's no surprise that he wanted local retirees to be able to reside on the island for as long as possible. For all these reasons and more, Ambiance will always hold a special place in his heart.

An island in the city

A PLACE LIKE NO OTHER

Nuns' Island is one of the most picturesque places to live in the Montreal region. With its wooded area, Battures Lake (created in 1990 from a marsh) and numerous bike and walking paths, this little paradise has managed to maintain a perfect balance between nature and urbanization.
