Why us?

“For over 25 years, Le Groupe Maurice has been providing living options that cater to the needs of retirees seeking a more active and fulfilling lifestyle. Prior to our inception, the retirement accommodations available didn’t quite meet the desires of the majority of seniors, who craved independence and a vibrant life. I felt a calling to change this, to create living spaces that are radically different from what existed in the past.

My vision was to create residences where people would enjoy life like never before!

Today, I am thrilled to see individuals regaining their vitality after settling into one of our residences. It is a rare and truly precious experience to sense so much happiness and joy in one place.

To all future retirees, I sincerely hope that you find a living space that brings you endless laughter, new friendships, exciting adventures and fulfilling projects.

On behalf of myself and my dedicated team, I warmly welcome you to Vent de l'Ouest!”

A PASSION FOR ALL SEASONS

Vent de l’Ouest was the first residence to offer a golf simulator on its premises. The reason is actually quite simple: the residence is situated near several lovely golf courses, which is very much appreciated by many retirees. It’s a golden opportunity to practice their favorite leisure activity... regardless of the season!
