Why us?

“For over 25 years, Le Groupe Maurice has been providing living options that cater to the needs of retirees seeking a more active and fulfilling lifestyle. Prior to our inception, the retirement accommodations available didn’t quite meet the desires of the majority of seniors, who craved independence and a vibrant life. I felt a calling to change this, to create living spaces that are radically different from what existed in the past.

My vision was to create residences where people would enjoy life like never before!

Today, I am thrilled to see individuals regaining their vitality after settling into one of our residences. It is a rare and truly precious experience to sense so much happiness and joy in one place.

To all future retirees, I sincerely hope that you find a living space that brings you endless laughter, new friendships, exciting adventures and fulfilling projects.

On behalf of myself and my dedicated team,
I warmly welcome you to Le Cavalier!”

SADDLE UP FOR RETIREMENT

The name “Le Cavalier” is inherently tied to the architecture of the building, designed in the form of a horseshoe. This distinctive structure offers the advantage of a splendid, unobstructed interior garden. The calligraphic “C” in the logo symbolizes the elegance of this residence, providing seniors with daily inspiration and many benefits!

IN PERFECT HARMONY

Did you know that Le Cavalier was the first Le Groupe Maurice residence to have opened at 100% occupancy? This resounding success not only demonstrated the remarkable match between the service offerings and the needs of retirees in the area, but also propelled the company to build new residences with even greater appeal to seniors!
